

Maneuvering Flight-- Hazardous to Your Health

Maneuvering is not just about buzzing, but performing skillfully at slower air speeds. Let this seminar add to your knowledge and understanding of Maneuvering Flight. Program is from the AOPA CD.

Directions: Please consult map link below. To the Right as you enter the Patio (Mall). Someone will be there to guide you.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
